

The City of Los Angeles
Bureau of Engineering

summer INTERNSHIP PROGRAM

ABOUT

The Summer Internship Program provides Engineering and Architectural students a unique opportunity to gain hands-on experience with the Bureau of Engineering, which serves as the City's lead agency for the planning, design and construction management of public buildings, infrastructure, and open space projects. The Bureau of Engineering's projects are nationally recognized in the areas of environmental sustainability and design. Summer interns will participate in a variety of assignments to expand learning opportunities, participate in field visits, and make connections with professional engineers and architects and fellow summer interns to assist with a successful transition into a professional career.

SALARY

\$18.20 - \$34.01 per hour, based on academic level.

APPLICATIONS ARE DUE MAY 14, 2018

You may start as early as June 5th and the program will end August 16th.
